

A top-down view of various embroidery supplies. In the center, a white fabric piece features intricate blue and green floral embroidery. To the left, a pair of black-handled scissors is partially visible. Below the central fabric, there are several spools of thread in red and pink, a pair of gold-handled scissors, and several silver buttons. To the right, there are several ribbons in red, gold, and pink. The background is a light-colored surface.
